

A large, stylized letter 'A' in a bright yellow color, set against a dark blue background with a fine, pebbled texture. The letter 'A' is composed of two main parts: a vertical stem on the right and a large, sweeping curve on the left. A diagonal band of a black and white checkered pattern runs from the top left towards the center, passing through the 'A'.

# STUDENT LIFE

## SCHOOL LIFE ADDS "SPICE"

Martin and Pat exchange words, while outside . . . it is time to do some fall "housecleaning" . . . . Greg, Susan, and Pam talk over the situation as the freshmen labor with the typewriters . . . . We're waiting for the pep meeting to begin, and after the meeting, Cheryl observes the Victory Cup, which is cherished so much by the winning class.

From cheerleading to band, to studying, to changing classes and our superiors in conference--all in the life of students.

Cheryl speeds along as Carol has a decision to make and Polly must correct that error.

Mr. Pawling is in conference. Please do not disturb!!!

Another kind of conference is held.

Our I.M.C. is a place for study.

An exciting moment in our lives is cheering for our favorite team who has won by one point! WOW!

The candy sale takes "shape" as captains prepare boxes of candy for the members of their teams to pick up after school. \$\$\$\$ for our activities.

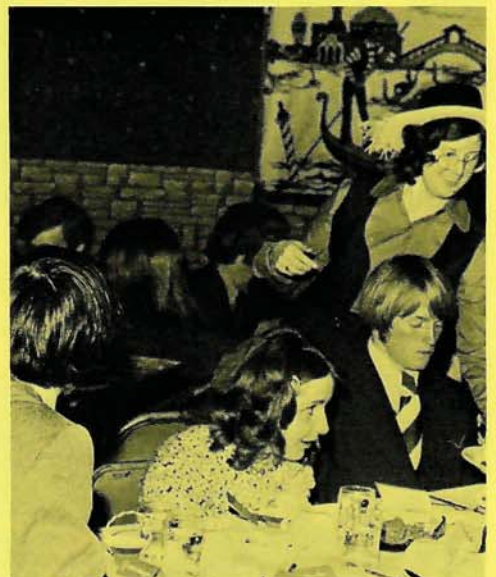

Mrs. Snyder and her gang take care of students' needs in the I.M.C.

Excitement runs high on April 21 as every girl gets her hair "done" and puts on her party dress and waits for her escort who seems to have forgotten his old jeans and appears in his "best" to take his queen to the banquet and prom. "Romance in Venice" seems to be a very fitting theme.

## HOMECOMING KING AND QUEEN

### RULE DURING FESTIVITIES

October 12, 1973? What is it?

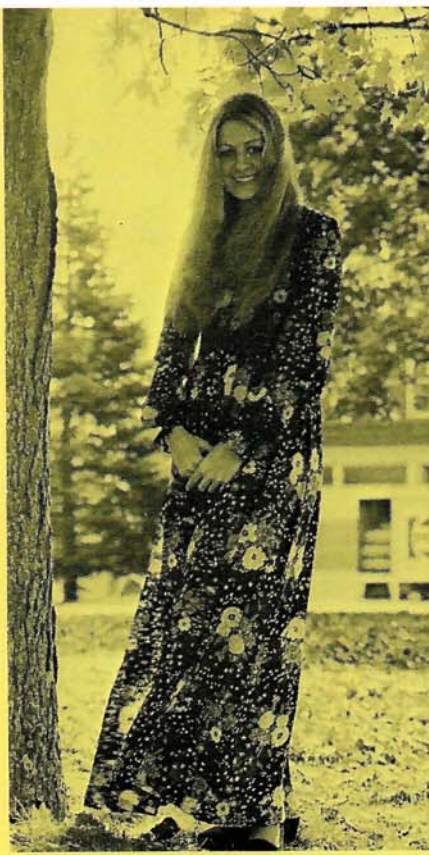

It is homecoming at P-L. The big game between P-L and Adair-Casey on the home turf . . . Coronation at 6:45 . . . Who will be queen and king? . . . Will P-L Hawks win and make homecoming an even greater memory? . . . After the game, dance to the YETTI at the gym . . . Oh, sad, sad--P-L loses to A-C. Score: P-L, 14; A-C, 21

Chris Reynolds and Kris Heiland are elected royalty for homecoming.

Following the game, the YETTI  
furnish the music for the  
dance, to which all the  
grads are invited

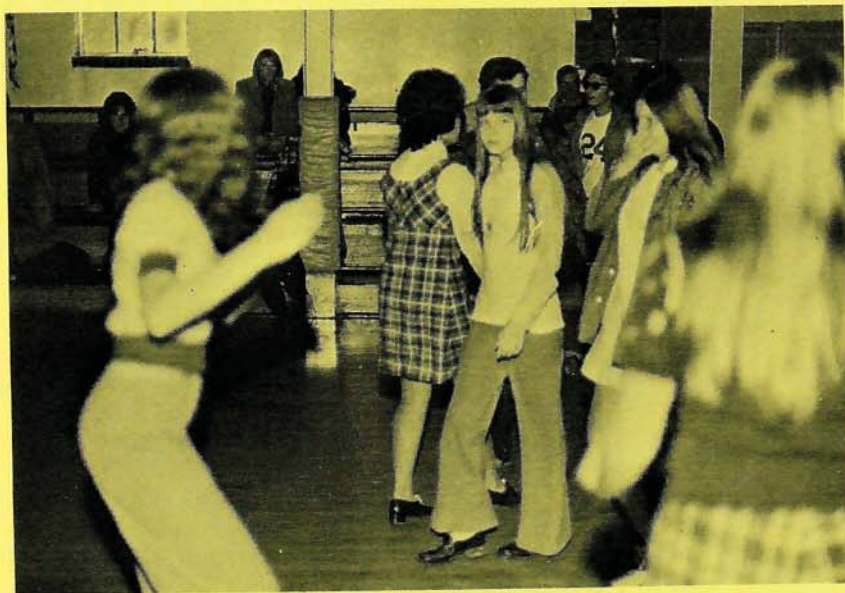

"I can't hear you."  
Wonder why?

HOMECOMING IS . . .

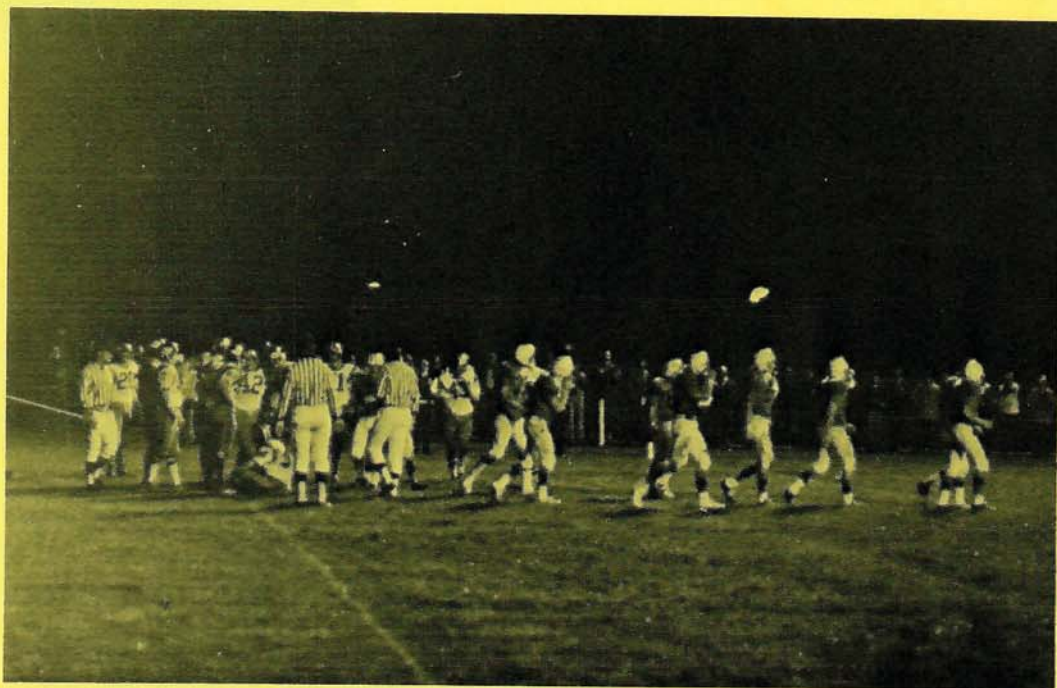

- knowing you'll be the one to trip at the dance.
- wearing Blue and Black.
- seven nervous girls.
- thirteen nervous guys.
- a date with HIM!
- staying out a little later.
- no homework?
- a fantastic Hawk victory.
- a time when those old PLHS grads remember when . . .

The students and alums  
really are jivin' to  
the groovy music.

Queen Kris and her friends enjoy the dance.

## THE HAWK STAFF

This year the '74 HAWK was planned by Kris Heiland and Cheryl Holloway, who acted as co-editors. Jeff Jensen served as photographer for some of the pictures you found in this publication.

In June, 1973, Kris, Cheryl, and Jeff attended a workshop which was held in Des Moines at Drake University. There they actually worked with people who were schooled in the work of teaching publication work. From this, these people came home with new ideas to try this year.

The staff wishes to thank all who helped make this book possible.

# SPEECH STUDENTS WIN BERTH TO STATE CONTEST

Some of the extra activities in speech this year were the speech contest and the all-school play.

Four students advanced to the state speech contest: Lynn Derry and Cathy Ginder in dramatic acting, Carmen Janssen in interpretive poetry, and Rick Keeran in original oratory. State speech contest will be March 23.

This year the all-school play is "If That's Where It's At, Baby, I'm Not Going" by David Rogers. The play will be involving thirty or more students. It is a modern play about a put-up student rebellion, making the play a farcical comedy. Miss Sharrar is the director.

## MEDICAL CAREERS CLUB PERFORMS SERVICES

The Medical Careers Club was started at the beginning of the year by the school nurse, Mrs. Hawley. The club has one meeting every month. Several speakers have come to talk to the members about their careers in the medical field.

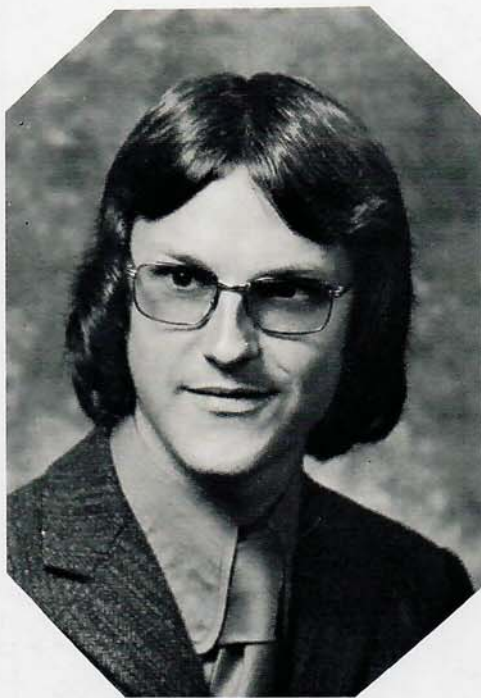

We have visited the Panora Care Center as a group. We talked to the people living there and to the employees.

The students in the club go down to the Care Center when they have a free period to talk and work with the people who live there at the Home.

# YFU STUDENTS IN OUR MIDST

Heinz-Peter Schmoll has this to say:

"I, H. P., am one of the YFU (Youth For Understanding) exchange students attending P-L High as a senior this year. I live in Hofgeismar, which is situated near Kassel, West Germany.

"The main difference in comparison to our country as I see it is the school system. First of all, our students have to go 9 years to high school. The evaluation goes from 1-6. One is the best grade and 6 is the worst. Furthermore, we don't eat at school, have no home room, and the teachers have their own classrooms.

"Football and baseball are not played in Germany. Our most famous game is soccer. As to the food, living standards, and TV shows are concerned, I must say that there is no difference. Germany in this section is a little America.

"All in all, I have been enjoying my stay here in Panora and if anybody asked me what I liked most: the people. They take everything so easy and are never in a hurry."

Lucia DeFatima S. Ribeiro has this to say:

"I live in Recife, a coastal city on the Atlantic Ocean in Brazil. My family is small: my father, my mother, and one five-year old brother. I am planning to study law at the University next year.

"To come to Panora in January was a change of temperature; but more important, a change in my life. To know the snow, the American people and their way of life has been a pleasant and unforgettable experience."

Ulla Korpelainen has this to say:

"In Finland, I live in a city of 60,000 people just a few miles from the capital of Finland. So it is kind of different to live here in Panora. I still like it; it is fun when everybody knows each other.

"It is the same in the school too. We have about 1,100 students in our school in Finland, and I hardly know all my classmates.

"What I like in your school is that you have so many activities for students, and everybody has a chance to take part in them. We had some activities in our school but you had to be so good before you could go out for any of them. That's because our school was so big.

"I also like all the people here. Everybody has been so friendly and helpful.

"Maybe I should write something about my family. My father is a doctor of political science, and my mother is a trained nurse. I have one brother, who is now 13.

"I have had a great time here in Panora, and I'll sure miss everything after I leave next summer."

# ATHLETICS

Excitement runs high as the race progresses. Tension begins to rise . . . who will win? Last lap around the track . . . Tim gradually pulls ahead and hits the finish line to win first place.

After basketball, most people feel that athletics cease. But this is by no means true, as in the spring we have boys' and girls' track. During the summer months, softball and baseball take the spotlight. Beginning in March, training starts indoors and outdoors for track. In May the baseball and softball begin, as the track season ends. Many hard hours of work are necessary in order to participate in these sports.

## HAWKS ARE 1973 SECTIONAL CHAMPS

Kerry Moylan is safe much to the baseman's disbelief.

Jim Rogers tries desperately for an out.

Marty Goodrich rounds the corner for a race home.

Darrell Hughes winds up  
for that mighty pitch.

The 1973 HAWKS had a very successful year! They finished with a school record of 21 wins and only 4 losses. They won the sectional championship and lost a heart-breaker by one run in the District Tourney. The team had an outstanding .304 batting average and an excellent team A. R. A. of 1.38. Outlook for next year is good with 8 returning lettermen and several good young prospects from the championship Babe Ruth team!

He's out at first base.

At the end of the season, the Hawkettes had won 11 games and lost 13. In the conference standings they had won 9 games and lost 5. All in all, not a bad season.

Cheryl's ready at first base.

Kathy's after that ball!!

## OUT TO GET THEIR MAN

Sharon has a base hit while Diane and Kim fight to the end.

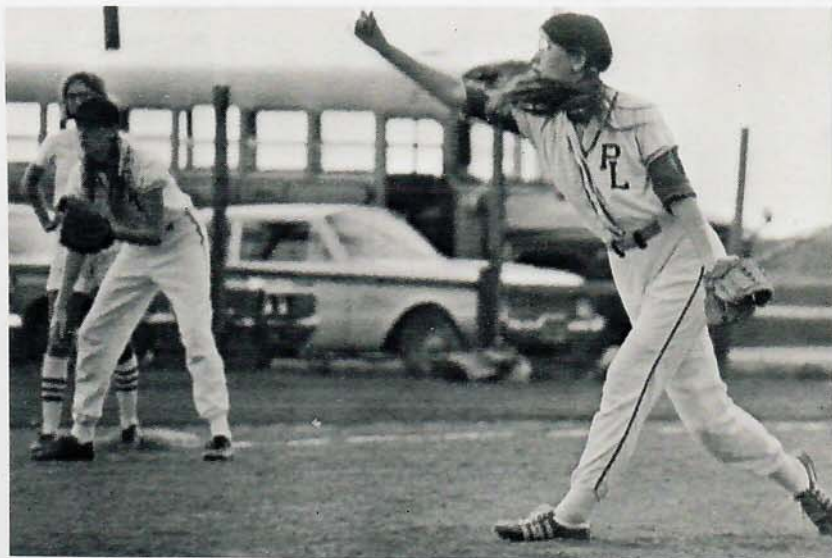

Doreen adds a score as Coach Hawley guides Cheryl safely to the next base.

Kathy catches that ball

## HAWKETTES' SEASON IMPROVES

Cross Country is an unusual and fast moving sport, to say the least. It requires a tremendous amount of stamina and a good all around athlete. As far as being a spectator sport it is nearly impossible to watch, other than placing one's self at the starting and finishing lines or some

other strategic spot as the harriers run a varying number of miles in each meet. Because of the difficulty in watching a meet this sport is not as well attended as it should be when one considers all of the work involved in becoming a good runner.

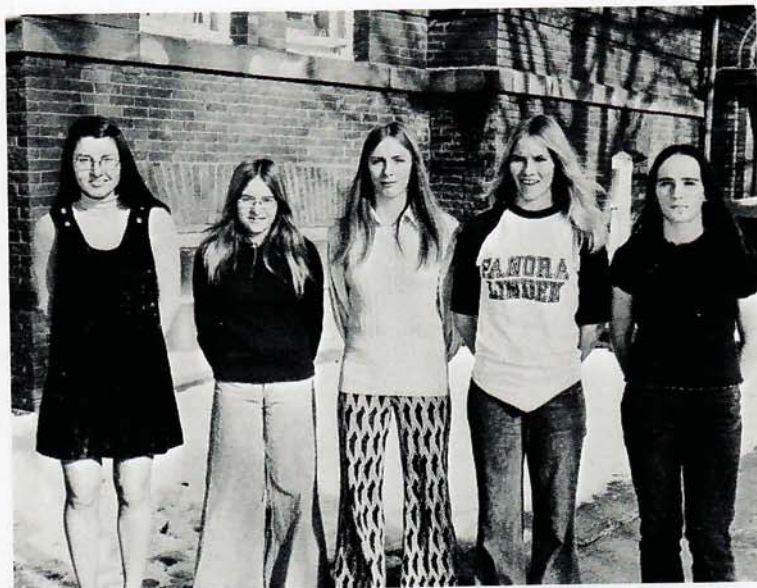

All the runners take off for "Cross Country".

Only boys are "girl  
watchers," Debbie!

Our team consists of Kathy Turner, Brenda Gallatin, Lori Liesener, Carmen Janssen, and Brenda Pierce.

Brenda Pierce is the leading scorer on P-L's team.

## FALL SPORTS

Football is a ruff and tumble team sport, which is brutal even to the biggest man. The team starts work late in August and continues to smash out the improvements through early November. There are three words that best describe a football player: guts, determination, and talent. That's what this year's Panora-Linden Hawks had in abundance as they showed us, for they received second place in the Little 8 Conference.

Coach Teale instructs the players.

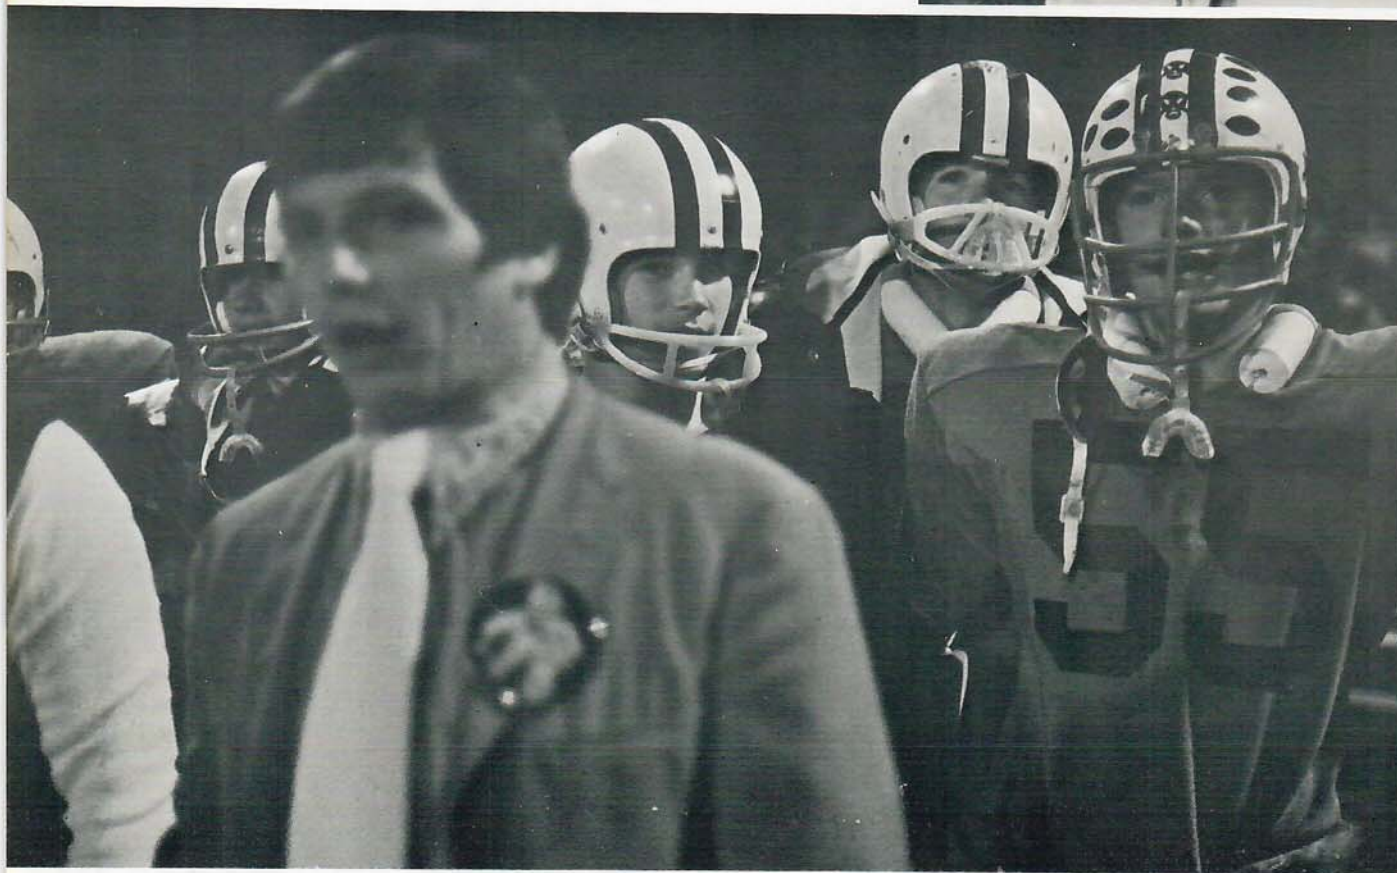

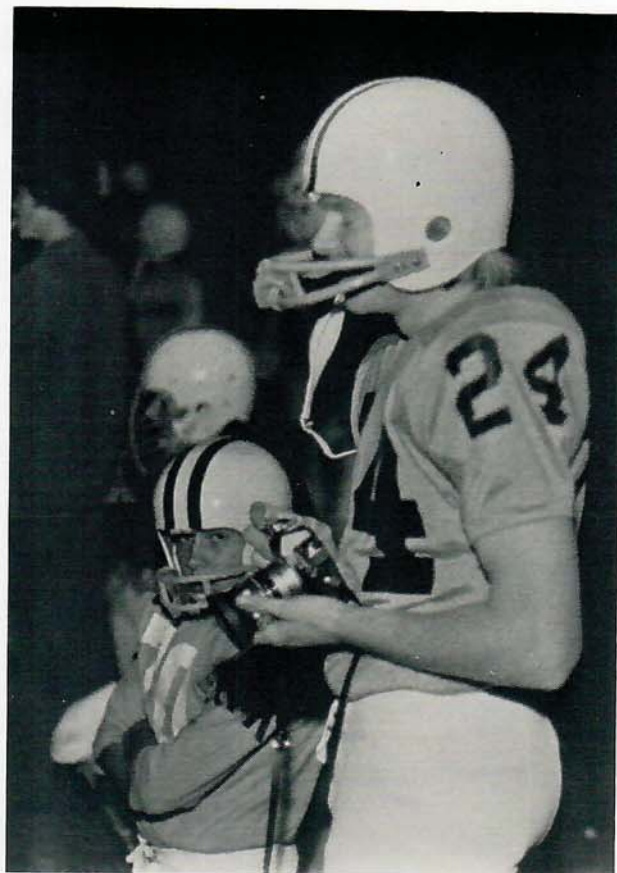

Really a pile up there.

## GRAPPLERS STARVE, SWEAT, SUFFER

### A WINTER SPORT

Wrestling is less popular than basketball, but for those fans who follow and understand it, it is an equally thrilling and exciting sport, if not more so. It takes speed, strength, skill, and a lot of will power to make a wrestler, and it shows when they are out on the mat.

Beginning right after football season, a group of dedicated, diligent, and well-trained athletes starve, sweat, and suffer to prepare for another grueling season of wrestling.

The winner of the match.

## EARLY PRACTICE FOR DRILL TEAM

Early on the mornings of November 5, 7, and 9, tryouts for drill team were held in the gym for any girl who wanted to try out.

The drill team consists of sixteen girls. They perform during the half time of the boys' basketball games.

Practices are very strenuous and are held about 7 each practice session. The girls know what is going on in the outside world very early in the morning.

This year the drill team's supervisor is Mrs. Brandt, who teaches part-time P.E. in the elementary grades.

# DRILL TEAM'S FINALE MARCH 1

Friday, March 1, the Panora-Linden Drill Team performed in a special show. The program consisted of the routines they performed during the year. Those participating in the drill team this year are seniors Cheryl Holloway, Lynn Griggs, Kris Heiland Pam Lundberg, and Cindy Wirt; juniors Janet Barks, Gloria Shelley,

Kathy Turner, and Sharyl Ulrich; sophomores Doreen Atkinson, Sara Beidelman, Tania Clark, Karen Goodrich, Pam Hamling, Sharon Wernli; and freshmen Linda Gallatin, and Trudy Kinsey. The girls are sponsored by Mrs. Barbara Brandt.

It is such fun  
at a performance.

# ULLA KORPELAINEN IS SWEETHEART

## STUDENT COUNCIL SPONSORS VALENTINE DANCE

During the week of February 11 to 16, excitement ran high at P-L. The Student Council was sponsoring a Valentine's dance on Saturday, February 16. A girl would be chosen sweetheart by the student body.

Class meetings were held, and two girls from each class were chosen to compete for the title of Sweetheart.

A general election was held on Friday and the sweetheart was elected by the student body.

At the dance, the results of the election were announced. The honor of being elected the sweetheart went to Ulla Korpelainen, our YFU student from Finland. CONGRATULATIONS, ULLA.

The candidates for Valentine Queen are shown in the above picture. These candidates were chosen from all four classes. They are from left to right: Melanie Hotle, 11th; Ulla Korpelainen, 12th; Debbie Wyss, 11th; Pam Wasson, 10th; Valerie Arganbright, 10th; Cindy Wirt, 12th; Roberta Dungan, 9th; and Brenda Gallatin, 9th.

#### IF

If you can start each day with  
hope and gladness,  
If you have faith that dreams  
will come true,  
If you find comfort  
when the day is cloudy  
In knowing skies  
will once again be blue . .

If you can look ahead  
to each tomorrow  
With thankfulness for what  
the past has brought,  
If you find happiness  
in simple pleasures--  
A cheerful word, a smile,  
a friendly thought . . .

If you can learn  
from every new experience,  
And grow in grace  
with every year you add,  
If you can give a bit of  
help and courage,  
Or say a word to make  
somebody glad . . .

If every year just leaves  
more treasured memories  
Of friendliness you've shared  
along the way,  
Each year will just mean  
that you're beginning  
A year that's truly happy  
every day.
